

WEEKEND FRÜHSTÜCK

On days off and especially at the weekend, when the whole family gathers, you have time for your loved ones, meet friends and arrange to meet up with acquaintances, you like to sit down at the table that has already been set and enjoy the morning hours ...

... of course, my favourite is a **WEEKEND  BREAKFAST**
in the **elephant Kufstein Lounge at BREAKFAST & MORE.**

MAKE THE WEEK END YOUR GOURMET DAYS

and start in the new week completely relaxed.

EXPERIENCE HOME AT THE ORGANIC BREAKFAST

Many ingredients come from selected, often **long-established producers from our city and the region:** for example, the juicy organic ham from **Juffinger butchers**, the homemade organic jams from **Floberry**, the organic eggs from Wanderhennen as well as organic hay milk and organic natural yoghurt from **Keilhof** or the oven-fresh bread and pastries with organic certification from the **Hauber bakery** next door.

ON SATURDAYS

AND ALSO ON SUNDAYS AND PUBLIC HOLIDAYS

we spoil you with **fine breakfast specialities**, which you can enjoy between **07.30 a.m. and 1. p.m.**

And we consider ourselves small enough to be able to spoil our **breakfast guests à la carte** and thus dispense with a breakfast buffet.

The **freshly prepared egg dishes**, the **freshly ground coffee**, the **oven-warm pastries** and **crusty bread**, the **freshly chopped fruit salad** or the **juicy vegetable sticks** are sure to **delight breakfast lovers.**

CULINARY DELIGHTS & EYE CANDY

are the unbeatable duo when it comes to enticing you into our **local breakfast world** with these relevant senses.

Absolute freshness and the very highest quality with the **BIO and ENVIRONMENTALLY FRIENDLY certificates** are the credo of our actions.

Elegance in the rooms, young and sustainable design outdoors as well as tableware _made by Riedel and the **smile of the day** - all these could be parameters for your coming to **elephant for BREAKFAST & MORE** in the **elephant Kufstein Lounge.**
